Insurance Management

The Superintendent shall recommend and maintain all insurance programs that provide the broadest and most complete coverage available at the most economical cost, consistent with sound insurance principles.

The insurance program shall include each of the following:

1. Liability coverage to insure against any loss or liability of the School District and the listed individuals against civil rights damage claims and suits, constitutional rights damage claims and suits, and death and bodily injury and property damage claims and suits, including defense costs, when damages are sought for negligent or wrongful acts allegedly committed in the scope of employment or under the Board's direction or related to any mentoring services provided to the District's certified staff members; School Board members; employees; volunteer personnel authorized by 105 ILCS 5/10-22.34, 5/10-22.34a, and 5/10-22.34b; mentors of certified staff members authorized in 105 ILCS 5/21A-5 *et seq.* (new teacher), 105 ILCS 5/2-3.53a (new principal), and 2-3.53b (new superintendents); and student teachers.
2. Ottawa Elementary School District #141 is required to carry Flood Insurance as a result of our FEMA settlement regarding the flooding event that occurred on the former Central School property in September, 2008. By terms of the FEMA funding for the new Central Intermediate school the district is required to carry Flood Insurance. If the school district chooses to discontinue Flood Insurance coverage in the future for Central Intermediate school it would not be eligible for any future FEMA funds.
3. Comprehensive property insurance covering a broad range of causes of loss involving building and personal property. The coverage amount shall normally be for the replacement cost or the insurable value.
4. Workers' Compensation to protect individual employees against financial loss in case of a work-related injury, certain types of disease, or death incurred in an employee-related situation.

Student Insurance

The Board shall annually designate a company to offer student accident insurance coverage. The Board does not endorse the plan nor recommend that parents/guardians secure the coverage, and any contract is between the parents/guardians and the company.
